Hawaiian

Electric

Company.

The cleanest, brightest safest and really the long run, the cheapest and best light for use in the family residence, is the incandescent electric light. Safe; nothing could be safer. A few days ago a prominent gentleman of Honolulu came rushing down to our office of the Electric Company and said: "Where we figures for wiring my house, and I want it done at once; no more lamps for me. Last night a lamp tipped over and it came so near setting fire to the house and burning my children and I take no more risks." This is the sentiment of quite a number in the past few weeks, who have ordered their houses fitted with the perfect light. Just think it over and make up your mind what you want the best and safest light; send for the Hawaiian Electric Company and tell them what you want.

We have a complete stock of everything in this line and have just received a lot of the very latest designs in chandeliers

Poor Blood Nervous Prostration

Tested and tried for 35 years in all parts of the world.

Such is the testimony of Mrs. E. F. Choppe, of Stawell, Victoria, Australia. She says:

"It is with great pleasure that I record my experience as a nurse for thirty-five years with the wonderful curative effects of

AYER'S Sarsaparilla

and Dr. Ayer's Pills. Both of these I have used in different parts of the world, including Australia, for myself and my patients, in cases of nervous prostration, poor blood, skin diseases and all complaints from weakness peculiar to women. I most heartily recommend these preparations to all sufferers from any of the above named distressing complaints."

For constipation take Dr. Ayer's Pills. They promptly relieve and surely cure. Take them with Dr. Ayer's Sarsaparilla one also the other.

MUSICAL AT PUUPUEO

MR. AND MRS. COOPER AGAIN ENTERTAIN.

The Amateur Orchestra Given an Opportunity to Carry Out One of Its Most Admirable Designs.

Minister and Mrs. Cooper entertained again handsomely at Puupueo last evening. It took the form of a musicale and gave the Amateur orchestra an opportunity to carry out one of Wray Taylor's admirable designs in its organization, that of being the exponent and vehicle of introduction to Honolulu music lovers of some of the newer works of the world's great living composers. Of the seven selections the orchestra rendered five of them which were never before given here by band or orchestra. These were: Gavotte, "Captivating," by Tobani; Overture, "The Venus," by Bizet; Waltzes, "The Daughter of Love," by Strauss; Selection, "Queen of the Isle," by Isenman; and Scottische, "Pansy Caprice," by Walker. All of them were well rendered and excellently received. Mr. and Mrs. Cooper, Wray Taylor and the Amateur orchestra have put the community under heavy obligations in a musical way.

The other numbers on the program were familiar, but sterling selections. March from "Athalie," Mendelssohn, and the "Liberty Bell" March, Sousa. Puupueo was shown in another phase of its beauty and admirable location by last night's gracious hospitality. The moon was at its full. The air had in it a touch of autumn. Between the two Mauna valleys with its precipitous heights on either side wore a suggestion of Switzerland.

The spacious house was brilliantly lighted. Mr. and Mrs. Cooper welcomed the guests in the large reception room. The great court was fragrant and bright with flowers and potted plants.

Following the orchestral program, there were refreshments and dancing. It was a delightful affair.

PORTUGAL'S NAVY.

The trials of two small Portuguese cruisers, the San Gabriel and San Raphael, will, writes the Lisbon correspondent of the London Mail, take place at an early date at Havre, where they are building.

Great efforts are being made to strengthen the Portuguese navy, which has of late years fallen into a sad state of decline. A French engineer was lately engaged to organize the Lisbon dockyard, and sums of money (which the country cannot afford) are being spent on new ships, while the unfortunate Portuguese bondholders look in vain for interest on their money.

Portugal owns one small and ancient ironclad, the Vasco da Gama, built in 1875, on the Thames, which represented her at the jubilee review.

Two large cruisers are building at Elswick and Lisbon. These are the Carlos I and the Amelia. With another cruiser built in Italy in 1896, they represent the serviceable Portuguese navy.

There are six old cruisers, mostly of wood, twenty-two gunboats and a flotilla of river gunboats resting on the Zambezi. Twelve torpedo boats and a motley collection of old transports also bring up in the rear.

The plans are prepared for two new ironclads of small size, but whether they will ever be built is doubtful.

THE NEW REPORTER.

The following is from the pen of a new reporter:

A man killed a dog belonging to another man. The son of the man whose dog was killed proceeded to whip the man who had killed the dog of the man he was a son of. The man who was the son of the man whose dog was killed was arrested on complaint of the man who was assaulted by the son of the man whose dog was killed. The man who was assaulted had killed—Chicago News.

FOR PAINS IN THE STOMACH.

"I take pleasure in recommending Chamberlain's Colic, Cholera and Diarrhoea Remedy to all who suffer from pains in the stomach," says Mr. Milt McKinley, editor of the Rawson, Ohio, Herald. "Until I used this remedy it was, at times, impossible for me to be in my office, owing to attacks lasting from one to two days. By taking it as soon as the first symptoms of the attack are felt, I no longer suffer this unpleasant sickness." For sale by all dealers and druggists. Benson, Smith & Co., wholesale agents for the Hawaiian Islands.

"RAINIER."

Bailey's Bike Bits

ITEMS OF INTEREST TO BICYCLE BUYERS AND READERS.

The signs are that prices on well known makes of wheels will be cut, and cut deep. One very large maker has made a cut of 33 1-3 per cent, and at the same time advertises the fact that '99 wheels will be the same as '98, with 30 inch wheels as an extra line at \$5.00 more.

With cheap bikes and good, the trade may be said to have only just begun in the matter of quantity of sales. One hundred wheels at \$40.00 can be sold where one would sell at \$100, or even \$75. Always we have the cheapest bike in town. A good second hand bike for \$15.00. Good for a track or to learn on. Good value anywhere.

A special feature made of contracts to repair punctures and to clean your wheel for \$1 per month.
